

118 QUEEN'S ROAD - Hersham, Surrey

Client: - Beaufield Homes

The works comprised the design of high quality housing on a large former single dwelling plot in a highly sought after location.

Nye Saunders provided architectural services on the project in obtaining consent for three new circa 3,500 sq.ft. dwellings; obtaining Building Regulations consent and for providing a package of detailed construction drawings for the developer / contractor.

Contractor: Beaufield Homes
